

PANDUAN WITHDRAW BONUS

Selamat datang Member MOVINITE!

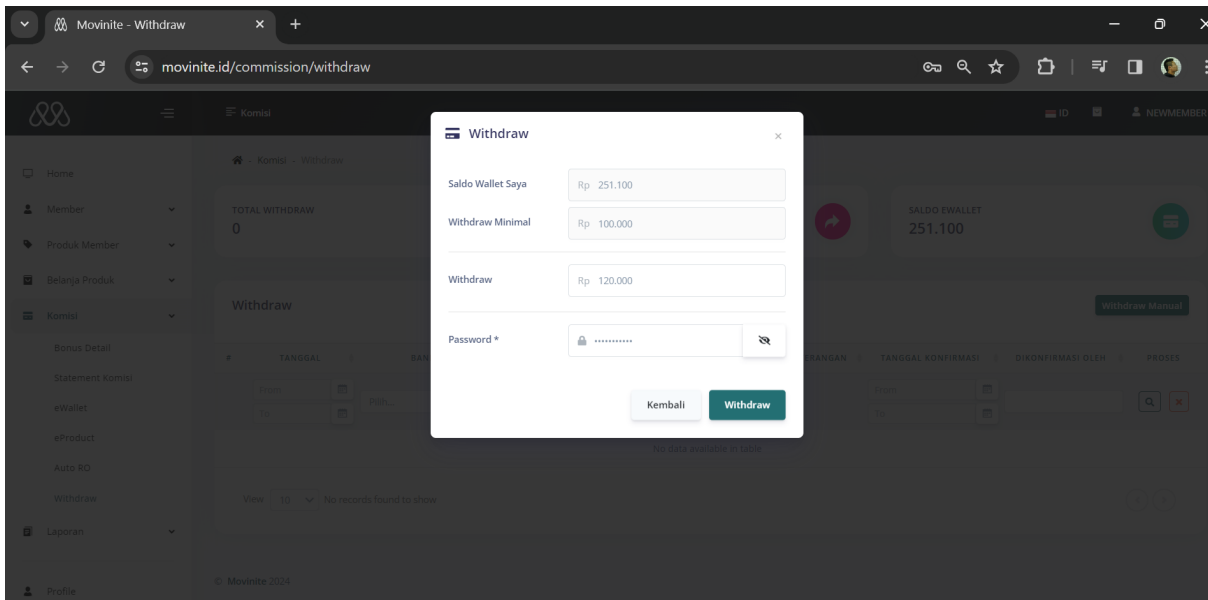

Untuk memudahkan Anda dalam melakukan withdraw pada website movinite.id , kami buat panduan operasionalnya sebagai berikut.

Withdraw (Penarikan Saldo eWallet)

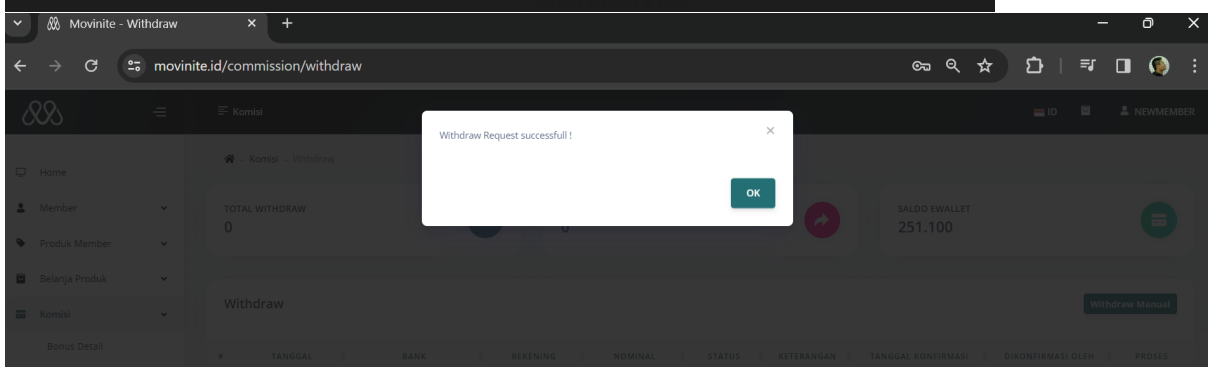

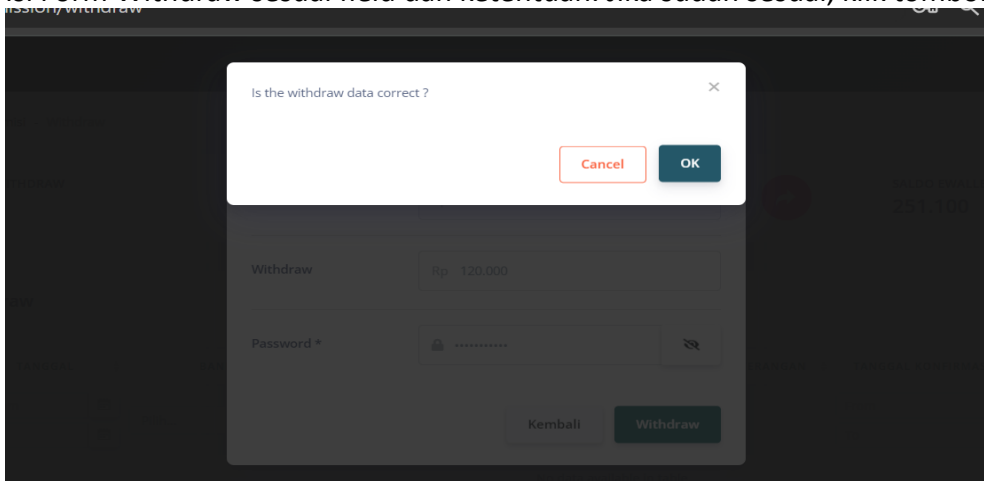

Klik menu **Komisi** - > **Withdraw** untuk masuk ke halaman laporan Withdraw anda. Klik tombol "Withdraw Manual" untuk mengajukan permohonan penarikan saldo eWallet anda.

The screenshot shows the MOVINITE website interface for the 'Withdraw Bonus' page. The browser address bar shows movinite.id/commission/withdraw. The page header includes the MOVINITE logo and user information (ID, NEWMEMBER). A sidebar menu on the left lists navigation options: Home, Member, Produk Member, Belanja Produk, Komisi, Bonus Detail, Statement Komisi, eWallet, eProduct, Auto RO, Withdraw, Laporan, Profile, and Logout. The main content area displays three summary cards: 'TOTAL WITHDRAW 0', 'TOTAL TRANSFER WD 0', and 'SALDO EWALLET 251.100'. Below these is a 'Withdraw' section with a 'Withdraw Manual' button. A table with columns for #, TANGGAL, BANK, REKENING, NOMINAL, STATUS, KETERANGAN, TANGGAL KONFIRMASI, DIKONFIRMASI OLEH, and PROSES is shown, but it is empty with the message 'No data available in table'. The footer indicates '© Movinite 2024'.

Isi Form Withdraw sesuai field dan ketentuan. Jika sudah sesuai, klik tombol “Withdraw”.

Saldo akan ditransfer ke rekening anda setelah permohonan Withdraw anda dikonfirmasi oleh Perusahaan.
